4.3. Kimono of red and blue colors, gloves for hand-to-hand combat with open fingers with emblem of "Unifight", boxing helmet with emblem of "Unifight", combat shoes with soft sole without edging, shields on shin and foot instep, safe shell, capa. Helmet and gloves should match to the kimono color. For the girls – protective equipment for the breasts. Every command must have the no less 2th certificated knives "Unifight", and pneumatic pistol "Baikal".

4.4. Referees for maintenance of Championship of Europe are caused in decision of the Referee assembly of ECIFAU.

Form of clothing of referees: black pantaloons, white shirt with a short sleeve, black butterfly, soft sporting shoe of black, black socks red - blue sleeve protectors.

5. Terms of realization of competitions of classic unifight

Procedure of realization of drawing and order of realization of duels are set (after a committee on credentials and weighing) by a referee assembly, depending on the amount of participants in every gravimetric class.

Championship is conducted as a double-event:

5.1. Passing of stripe of obstacles: in the stripe of obstacles throwing of knife from distance of 3 meters and firing is included in a target (inflatable marble) from a pneumatic weapon from distance 15 meters. Miss of sportsman in a target at throwing of knife or at firing punished by the additional overcoming of obstacle that is preceded to the line of firing and throwing of knife (as a rule, "pipe"). If here a rival gets in a target, then a 1 point is awarded him (to the rival) in the second round (for throwing and firing separately). A sportsman finishing the first on the stripe of obstacles with a difference more than in 10 seconds gets additionally a bonus estimation in a 1 point that is included to him in a 2th round, every subsequent 5 seconds of advantage are charged extra additionally a 1 point.

If a participant finishing the second fell behind from the first participant more than on the half of his time-of-flight of stripe, he is taken off from competitions, and clean victory is awarded his rival. Winning of stripe is set off for one won round.

5.2. Duel on a ring: in preliminary fights on a ring are 2 rounds for 2 minutes of clean time, in semifinal and final duels are 4 rounds for 2 minutes of clean time (for men). An interruption between rounds is 1 minute. For women 2 rounds for 2 minutes on all stages of competitions

Competitions are conducted on the Olympic system with leaving after the first defeat.

- in case if in a gravimetric class there will be 3 or 4 participants, then competitions in this weight can be conducted on round robin.

- if in two, following after each other, gravimetric classes will appear for 1-2 men, then they can be incorporated in one - more heavy gravimetric class. Such decision on the eve of realization of drawing must be accepted and ratified by protocol of joint conference of judicial

assembly of championship and leaders of sporting delegations of participating countries of Championship.

6. Terms of realization of competitions of light unifiight:

Competitions of light unifiight are conducted as a double-event:

6.1. At passing of stripe of obstacles, a sportsman finishing the first with a difference more than in 10 seconds gets additionally a bonus estimation in a 1 point that is included to him in a 2th round, every subsequent 5 seconds of advantage are charged extra additionally a 1 point.

If a participant finishing the second fell behind from the first more than on the half of his time-of-flight of stripe, he is taken off from competitions, and clean victory is awarded his rival.

6.2. A duel on a ring or fighter carpet is conducted with the use of different receptions of fight.

In competitions on the rules of light unifiight a duel on a ring is conducted only upright, without a fight lying.

Victory is awarded to the sportsman managing the first to conduct the clean throw of rival on a back, or to collecting the greater amount of glasses for throws on a side, stomach, breast, buttocks. Throws are not set off on knees, knee, hands, hand. After realization of throw of sportsmen lift in a bar and round proceeds. If a sportsman collects 10 points and more than for an opponent, then a round closes before the appointed time, and he is declared a winner in a round.

If a sportsman conducts a clean throw is any throw on a back, then a duel ceases and clean victory is awarded him in a duel.

In case if sportsman for the taken time on a fight in rounds it was not succeeded to conduct the estimated throws from position of fight - upright and at attempts to conduct throws both sportsmen fall on a ring simultaneously on a stomach, side or other parts bodies certain rules, a judge on a ring after a concordance with lateral judges determines more active sportsman and declares victory to him, in opinion of judges.

General victory in a double-event is awarded to the sportsman winning a pre-schedule victory on the stripe of obstacles or in a fight on a ring, and if it did not happen - to winning 2 rounds from 3.

If a sportsman wins 2 first rounds - on the stripe of obstacles and the first round on a ring, then a duel ceases and victory is awarded him.

On all stages of competitions (preliminary, in semifinal and final duels) duels on ring are 2 rounds for 2 minutes of clean time. An interruption between rounds is 1 minute.

7. Determination of winners

7.1. The winner of the final meeting occupies the first place, loser, is the second, losing the semifinal meeting occupy the third places. Locations of other sportsmen are determined the in accordance with that, in what circle they made off competitions. Losers are in ¼ finale share out with 5 for a 8 place, not determined below than 8th place.

7.2. In gravimetric classes in that places played off on round robin, a winner and prizewinners are determined on most of victories, on the mutual meeting between pretenders into one place, on the amount of the gained victories, on the least amount of penalty glasses etc.

7.3. For determination of winners and prizewinners in an unofficial command test among the countries of participants the evaluation indexes of the personal scores of sportsmen are set: I a place is 7 points, II a place is 5 points, III a place is 3 points, 5-8 a place is a 1 point.
